A Message From the President

Well, here we are – we survived the pandemic and we are feeling so grateful and thrilled to be approaching an exciting new season of performances!

These past two years have been difficult, to say the least. In spite of all of the challenges, our Board of Directors continued to work and contribute to this organization and for that I am thankful.

Upstage has launched its first summer workshop and it has already proven to be a success! This workshop is preparing the children for our upcoming production of “Matilda”. The complexity of this show will call for many hands and we urge you to reach out and lend us your talents, your knowledge and your willingness to help us with this challenging production.

As our next fiscal year begins, we will have a new Board of Directors. As for the current Board - I hope to still see all of your smiling faces as you continue to support Upstage.

With appreciation,

Your President, Christine

Matilda Workshop News

For the first time, Upstage is holding a summer workshop – the Matilda Workshop.

When Upstage decided to produce “Matilda” we did not realize the level of difficulty of the show – especially with the amount of music that the young cast members need to learn. And so the workshop was born.

Under the incredible direction of Annie Drewello, these children are learning the difficult music and will be ready for the upcoming rehearsals. Once in the workshop, these kids were guaranteed a place in the production; we look forward to seeing them on stage!

After auditions, which are July 17 and 31, and call backs on August 7, the rehearsal process will begin and most of the children will already have the music memorized. This will make the choreographer’s job a bit easier and that person is Tanya Phelps – an Upstage veteran who will not disappoint with her fantastic skills!

Our workshop is fortunate to have Bob Bucci assisting. With his expertise and networking he has accomplished two incredible opportunities for the workshop kids. On August 14 we will have a Zoom meet with Sophia Gennusa who is a Tony award winning ‘Matilda’ from the original Broadway production. She just graduated from high school and is off to college, but will speak with the workshop kids via Zoom. Then, on August 28, we plan to have a Master Class guest who was a dance captain for the touring “Matilda” company; the performer will share stories, speak with the children, and maybe even teach them a few dance moves!

These kids are very talented and we can’t wait until you see and hear them! After the show is cast, we will post the cast list on our Facebook and web pages. This is going to be one exciting show - see you there!
